Dr. Champion's
Vegetable Aque Medicine.
A safe and certain cure for Chills and Fever, in all its complicated forms. Also, an effective remedy for Fevers of every description.

This Medicine has been before the public for a number of years, and the beneficial effects so fully developed, that the demand for the Pills has increased to a very great extent; for although the Proprietor has manufactured nearly half million boxes during the past year, he has not been able to supply many parts of the country. This Medicine may be relied on in all cases to cure the Chills and Fever, the first day.

Bilious Fever, Typhus Fever, Winter Fever and Scarlet Fever all yield to the use of this Medicine, and are cured by this system of practice, in a shorter time, and with much more certainty than by any other system that has been recommended. Each box contains twenty-four pills, twelve of which will cure any ordinary case of Chills and Fever. A pamphlet accompanies each box, giving full directions and numerous certificates of the efficacy of these Pills. Price reduced to \$1.00 per box.

ALSO
Dr. Champion's
VEGETABLE, ANTI-BILIOUS, ANTI-DYSPEPTIC, PURIFYING AND CATHARTIC PILLS.
Possessing four important combined properties for the cure of diseases, carefully and correctly combined, one article to assist the effect of another for the benefit of the health of Mankind.

The proprietor asserts, and without fear of contradiction, that the demand for these pills is not equalled by any medicine in the United States. He has in his possession great numbers of certificates of the most astonishing cures that have been effected by the use of these pills.

They are recommended to the attention of those afflicted with Liver Complaint, Dyspepsia, Bilious habits, Costiveness, Cholera Morbus, Rheumatism, Scrofula, Poul Stomach, Depraved Appetite, Worms, Jaundice, Headache and Sick Stomach, Palpitation of the Heart, Diarrhoea, Nervous Affections, obstructed Menstruation, Dysentery, Flux, Heart-burn, White Swelling, and all those diseases arising from impure blood.

Price twenty-five cents per box. A pamphlet accompanies each box with full directions and ample testimonials of the good effects of these pills.

BELLEVILLE, Feb. 17, 1845.

We the undersigned, citizens of Belleville, Illinois, hereby certify, that we are personally acquainted with Dr. Champion, of this place, and have been for several years, and have the most perfect confidence in him as a Physician—that he is, in this community, and deservedly so, a popular Physician.

We further certify, that we have used his pills in our families for several years, and find them to be a valuable, efficient and safe medicine for the cure of diseases for which they are recommended. That they are in high repute in this community, and of the celebrity and good effects of the pills we have heard much from this and the various other States in which they are so extensively used. We think them worthy of high recommendation.

Dr. Champion's
VERMIFUGE SYRUP.

This preparation is confidently offered to the public as a safe and effective worm destroying medicine. The proprietor having used it a number of years inflexible practice—and the unexampled success that has attended its use in all cases where the patient was really afflicted with worms, has induced him to offer it for sale to the public. It is composed of a combination of the best vermifuge medicine, and possesses, as well as the power of destroying worms, a mild and effective cathartic property, which renders it a very convenient purgative for children in all cases where physic is needed—it is mild and safe in its operation, and may be given with great advantage in Fevers, and other complaints of children, even should they not be afflicted with worms, and it may be depended upon in all cases as a safe and certain Worm-destroying Medicine.

The proprietor has in his possession great numbers of certificates of the good effects from the use of this medicine—he will, however, only offer the following:

BELLEVILLE, Ill., April 20th, 1846.

Beatson's Tetter and Ringworm Ointment.

A safe and certain cure for Salt Rheum, Tetter, Scald Head, Ringworm, Barber's Itch, Pimple, Itch, Mole, Old Sores, &c.

It is highly recommended for open or ulcerated Scrofula and Leprosy. No class of diseases have ever been considered more difficult to cure than those of a cutaneous kind, and it will be conceded by all intelligent and candid physicians, that a knowledge of the nature and successful treatment of them is very limited and imperfect. It is notorious that many of these disorders have generally resisted all the ordinary means of cure. Hence the opinion so commonly prevalent, that they are incurable, and it is probable that before the discovery and introduction of Beatson's justly celebrated remedy this belief was well founded. But wherever his medicine has been known and used, it has shown this opinion to be erroneous—it has demonstrated the certainty of a radical cure in almost every case. The proprietor, therefore, considers this ointment as a specific for the complaints above enumerated.

This is no "quick" remedy, but really a certain and speedy cure; it has proved efficacious in every case, without a single exception, for the last three years, and invariably eradicates it in fourteen days, however inveterate or long standing. These assertions can be verified by reference to the numerous respectable families who have seen and felt its efficacy, and who have, from gratitude, offered their testimonials. It leaves neither smell nor stain, and contains nothing of an injurious quality.

Fayette, April 24th, 1847.

A Grand Father's Legacy. Myer's Embrocation for the Cure of RHEUMATISM.

THIS painful disease, which has heretofore baffled the skill of Medical men, and the scientific world, is established beyond doubt, yields to the application of this Medicine. The proprietor has sufficient evidence, from those who have been cured, and has so repeatedly witnessed its beneficial effects, that he feels no hesitation in calling on all who are suffering, to use this Medicine, with a perfect confidence that they will find speedy and permanent relief. It has never yet failed to effect a cure, and if properly applied, it never will. This is strong language, but the facts justify it. Let any one who doubts read what those who have felt its beneficial effects say of it. If they still doubt, let them try it, and they will soon bear testimony of its efficacy.

HOWARD COUNTY, March 20th, 1847.

MR. H. C. MYERS.—Sir—Your Embrocation having cured my wife of the Rheumatism, with which she was afflicted in such manner as to render her almost helpless, and cause her to suffer the most excruciating pain, I cheerfully bear testimony in favor of the controlling influence your Medicine exercises over this disease.

Yours, &c. WILLIAM PAYNE.

FAYETTE, March 20th, 1847.

MR. H. C. MYERS.—Dear Sir—The Embrocation I procured of you has entirely cured me of Rheumatic Pains. I have been troubled with Rheumatism for 11 years, during which time I have used Hunt's, Hays, Hughes' and other Liniments, without finding relief. Your Embrocation, has entirely cured me, and removed all symptoms of that painful disease, and I would recommend all who are similarly afflicted, to use it without delay.

Yours, truly,
JAS. A. DOUGLASS.

MR. HARRISON BARNES, of Howard county, has been severely afflicted with Rheumatism, for some five or six years past. He had been confined to his bed for several months previous to the time he began to use this Medicine. He had been under the care of some three or four different Physicians, who all despaired of his ever getting up. He began to use the Embrocation, and continued its use for one week, when he was able to get up, and in ten days was sufficiently recovered to attend to the business of his farm.

MR. H. W. KRING, and CHAS. GIBBS, of Fayette, and all his neighbors, will bear witness to the truth of the above statement.

Prepared only by H. C. MYERS.
